Arbor Custom Homes is announcing the kick off of our Summer Sales Incentive. Starting this weekend, for every home that closes before September 30, 2010, Arbor Custom Homes will put these finishing touches on it for **FREE**.

- AIR CONDITIONING
- STAINLESS STEEL REFRIGERATOR
- WASHER & DRYER
- WINDOW TREATMENTS
- BACKYARD LANDSCAPING AND IRRIGATION

We're making sure every home sold this summer is truly move-in ready so you can start to Live the Arbor Life the moment you're handed the keys.

Not looking for a move-in ready home? Ask about how this incentive can be tailored for pre-sale homes completed after September 30, 2010.

See the site agent for specific details as products and landscaping package may vary between neighborhoods and are subject to availability. Incentive only valid for full price offers.
